WFD Training Grants Revamp 2010

**Applications Open 18th Jan to 5pm 12th Feb 2010
for the Jan- Jun 2010 training grants round**

What's changing?

In mid January 2010 the NADA Workforce Development Training Grants Program will be moving into the 21st century and becoming web based! Everything for your training grant needs will be available on the NADA website Training Grants web page from Jan 18th 2010.

Say GOODBYE to the pesky hardcopy training directory you received in the mail twice a year and had to fight over with your colleagues to get your hands on, and say HELLO to an easy to navigate, comprehensive and environmentally friendly web page dedicated to all your training grants needs.

What will the Training Grants Web page include?

- Links to all Relevant Training Organisations
- Training Happening in Your Regional Area
- Courses Listed by Area of Interest
- Downloadable Application and Grant Recipient Forms and much, much more!

What can I apply for?

Staff can apply for a grant to cover the costs of training. This can include registration, accommodation and travel. Please refer to the eligibility criteria available on our website before applying.
